Christopher Whyrick
Reports Analysis Division
Federal Election Commission

Dear Mr. Whyrick,

This letter is in response to your amendment request for the committee, Gorell for Congress ID# C00552430. We had a software issue where we couldn't file a 24 Hr Form Form 6 for the memo entry donations of \$1000 or more received through the Joint Fundraising account. It has now been fixed and an amendment to our Form 6 10/20/2014 has been filed to capture these.

If you have any further questions or concerns please let me know.

Sincerely,

Jen Slater
Treasurer
Gorell for Congress
